

BIR/IDUG THE FUTURE OF MOLECULAR RADIOTHERAPY DOSIMETRY

17 SEPTEMBER - OXFORD

Programme

Session 1: Iodine Dosimetry

Kate Garcez, Consultant Clinical Oncologist
Rebecca Gregory, Principal Radioisotopes Physicist

Session 2: PRRT Dosimetry

Thomas Langbein, Resident Physician
Christiane Schuchardt, Medical Physicist

Session 3: Radioimmunotherapy

Kim Orchard, Consultant Haematologist
April-Louise Smith, Principal Clinical Scientist

Session 4: PSMA Dosimetry

Thomas Langbein, Resident Physician
Christiane Schuchardt, Medical Physicist

Call for abstracts

**A chance to showcase your
work on MRT dosimetry!**

email: conference@bir.org.uk to submit your abstract

**To view the full programme and register
visit <http://bit.ly/BIRIDUG>**
